Our commitment to excellence and customer satisfaction has allowed us to become a preferred choice for investors, employees, and our residents. Our portfolio consists of residential apartment suites, townhomes, and manufactured home community sites, located across Canada. We are on Canada's best employers list and a premier residential real estate landlord.

This Package and the documents requested herein are part of CAPREIT's vendor onboarding and ongoing vendor compliance processes. The Vendor Information Package (the "Package") must be completed and submitted by all prospective vendors **prior to commencing** a business relationship with CAPREIT.

CAPREIT may reassess any onboarded vendor at any time during the vendor's business relationship with CAPREIT. If this Package is not completed in full, or a vendor fails to meet the ongoing requirements as set by CAPREIT, the business relationship may be reviewed and possibly terminated, at CAPREIT's sole discretion.

This Package supersedes and replaces all previous communications from CAPREIT concerning our vendor onboarding policies and procedures.

To ensure a full understanding and compliance with our policies, we require the following:

- Review the entire Package and familiarize yourself with CAPREIT's requirements and expectations.
- Review CAPREIT's Code of Business Ethics and Conduct (the "Code") and ensure you can comply with the expectations of vendors contained therein. A copy of the Code is available here: https://s25.q4cdn.com/722916301/files/doc_governance/2022/Code-of-Conduct-English.pdf
- Complete this Package and submit it along with all requested documents.
