

A floor plan diagram showing a building section. The main area is a large rectangle with a width of 19'-4" and a height of 23'-1". A smaller rectangular area is attached to the bottom left, with dimensions 10'-0" by 14'-11". The total area is labeled as 778 sq ft. The diagram includes thick black lines for walls and a red line along the left and bottom edges. There are also some architectural details like windows and a door.
